In order to protect sensitive equipment and maintain the aesthetics of the FARGODOME, helium balloons within the FARGODOME are discouraged. Providing balloons to event attendees as “give-aways” is strictly prohibited.

Exhibitors and/or promoters wishing to bring helium balloons into the FARGODOME are required to place a \$250 deposit prior to the start of the event. In the event that any balloons “escape”, the entire deposit will be retained by the FARGODOME to offset the expense of retrieving the balloons. Additionally, the exhibitor will be responsible for actual costs to retrieve “lost” balloons and any damage caused by the balloons above the \$250 deposit. Otherwise, the deposit will be returned at the conclusion of the event.
